All parishioners are invited to a **Parish Communion Breakfast on Sunday, September 8 immediately following the 10:15 AM Mass. Msgr. Charles Fink will celebrate the Mass and be the guest speaker at the breakfast.** Many of you, I'm sure, remember Msgr. Fink who was a helping priest at Holy Name of Jesus in the past. A hot buffet breakfast will be served. The Daughters of Mary Immaculate International suggested the idea of having a Communion breakfast and offered to facilitate the planning, preparation, serving etc. It's the first for us in the twelve years that I've been here. I hope you will make plans to attend both the Mass and breakfast. The cost is only $15 per person. So why not come to the Mass, say hello to Msgr. Fink, and enjoy one another's company on September 8?

Are you aware of Retrouvaille? Do you know someone or a couple who are facing difficult challenges in their marriage? Perhaps they think that their marriage is heading in the wrong direction, maybe they're thinking of leaving the marriage relationship or of a divorce, trying to talk seems to make things worse? **RETROUVAILLE CAN HELP.** It's a practical program for married couples facing difficult challenges. It's not counselling. You will not be asked to share the personal details of your story. It's a way to improve your communication, help you to reconnect, and build a healthy marital relationship. A weekend experience is scheduled for September 13-15, 2024, at the Seminary of the Immaculate Conception, Huntington, NY. For more information, please call 1-800-470-2230 or visit HelpOurMarriage.

Will you help support the 2024 Catholic Ministries Appeal (CMA) and at the same time help the parish reach its goal this year? The CMA supports the many ministries of the Diocese serving more than a half million people in many, many ways. The gifts to the CMA are used to support the ministries. As you know, each parish has a goal, and once the goal is reached and satisfied, the parish receives a rebate of 20%. HNJ is currently at about 70% of its goal. A special thank you to the 57 parishioners who have given a gift or made a pledge to date. BOTH THE APPEAL AND THE REBATE ARE IMPORTANT - the **appeal** helps people on Long Island in a variety of ways, and the **rebate** to the parish is important to help keep the parish in the black. I 'm sure you've noticed the decline in financial support to HNJ since Covid and the passing of a number of parishioners. So, if you haven't given a gift for the Appeal this year, please consider using the form in the bulletin. REMEMEBR, EVERY GIFT IS IMPORTANT and NO GIFT IS TOO SMALL. Twenty or twenty-five dollars supplies a couple of gallons of gas for the Meals on Wheels program. And once again, to the 57 parishioners who have responded to date, a most sincere thank you for your support to the ministries serving the people of Long Island and helping us hopefully reach our goal.

WEEKLY MASSES

Sunday August 18th, 2024
20th Sunday in Ordinary Time

The Focus: The Eucharist is essential to life in Christ. In the first reading, Wisdom built her house and prepared a banquet. The invitation was sent to "Come, eat of my food and drink." When we forsake foolishness in our lies, we grow in understanding. In the second reading Paul counseled the Ephesians to keep careful watch over their conduct. In this way they could overcome their ignorance and discern the will of God. In the Gospel Jesus assured his followers that he is the living bread come down from heaven. All who partake of this banquet will be raised up on the last day.

Catholics Care. Catholics Vote. Form your conscience.

In their statement on *Forming Consciences for Faithful Citizenship*, the U.S. Catholic bishops urge Catholics to form their consciences through being open to truth, studying Scripture and Church teaching, examining facts and background information, and prayerful reflection (no. 18). Visit **www.faithfulcitizenship.org** to learn about the steps you can take to form your conscience and to watch videos, download podcasts, and access other great resources on conscience formation for faithful citizens.

"The Dignity of the Human Person is the Foundation for a Moral Vision of Society."

Every human being has the right to live with dignity and to develop integrally; this fundamental right cannot be denied by any country. People have this right even if they are unproductive, or were born with or developed limitations. This does not detract from their great dignity as human persons, a dignity based not on circumstances but on the intrinsic worth of their being. Unless this basic principle is upheld, there will be no future either for fraternity or for the survival of humanity.

UNITED STATES CONFERENCE OF CATHOLIC BISHOPS

Proposals in Congress threaten human life, the family, and religious freedom.

The need to accompany and support the increasing number of families struggling with infertility is real. But members of Congress – including many who consider themselves pro-life – are in a rush to promote access to a new national "right" to in vitro fertilization (IVF) and other such technologies that destroy preborn human lives and treat people like property (like surrogacy, gene editing, and cloning). Some of the current proposals would also threaten Catholic hospitals, charities, schools, and other organizations and people that do not enable or cover these medical procedures. They could even allow minors to receive the procedures despite parents' objections. Please tell your members of Congress to oppose bills that promote so-called "rights" to IVF and other assisted reproductive technologies (ART) that cause the death of countless human embryos and violate human dignity.
