***Next Sunday is the Parish Communion Breakfast.*** All parishioners are invited to a **Parish Communion Breakfast on Sunday, September 8 immediately following the 10:15 AM Mass. Msgr. Charles Fink will celebrate the Mass and be the guest speaker at the breakfast.** Many of you, I'm sure, remember Msgr. Fink who was a helping priest at Holy Name of Jesus in the past. A hot buffet breakfast will be served. The Daughters of Mary Immaculate Inter-national suggested the idea of having a Communion breakfast and offered to facilitate the planning, preparation, serving etc. It's the first for us in the twelve years that I've been here. I hope you will make plans to attend both the Mass and breakfast. The cost is only $15 per person. So why not come to the Mass, say hello to Msgr. Fink, and enjoy one another's company on September 8?

On Wednesday, September 4, at 7:30 PM, St. Rose of Lima Parish extends an invitation to all parishioners to a powerful evening of faith, catechesis, and prayer presented by Deacon Harold Burke-Sivers. The evening consists of a presentation on the Eucharist followed by a period of Eucharistic adoration. For more information, please contact drvc.org/revive.

Next weekend, the annual National Collection for The Catholic University of America will be taken up in all parishes of the Diocese. Catholic University is a national research university offering various research and training initiatives that support dioceses and parishes in responding to the needs of the faithful.

On the weekend of September 14-15, a second collection will be taken in all parishes of the Diocese for the St. Pius X Residence for retired priests from the Rockville Centre Diocese. This collection is to help close the gap between the operating expenses at St. Pius X and the current funding provided by the Diocese and resident priests.

Are you aware of Retrouvaille? Do you know someone or a couple who are facing difficult challenges in their marriage? Perhaps they think that their marriage is heading in the wrong direction, maybe they're thinking of leaving the marriage relationship or of a div-orce, trying to talk seems to make things worse? **RETRO-UVAILLE CAN HELP.** It's a practical program for married couples facing difficult challenges. It's not counselling. You will not be asked to share the personal details of your story. It's a way to improve your communication, help you to reconnect, and build a healthy marital relationship. A week-end experience is scheduled for September 13-15, 2024, at the Seminary of the Immaculate Conception, Huntington, NY. For more information, please call 1-800-470-2230 or visit HelpOurMarriage.

# WEEKLY MASSES

**Sunday September 1st, 2024**
**22nd Sunday in Ordinary Time**

**The Focus:** Jesus teaches us to keep our focus on obeying God's commandments. In the first reading, Moses urged the Israelites to be faithful to the commands of the Lord. They were not to change them in any way but to follow them wisely. In the second reding, In order for God's word to take root, believers must do more then merely listen to it. They must act upon it. In the Gospel, Jesus said that nothing coming from outside can make a person imure. Rather, it is the evil coming from within that constitutes impurity.

**Catholics Care. Catholics Vote. Form your conscience.**

In their statement on *Forming Consciences for Faithful Citizenship*, the U.S. Catholic bishops urge Catholics to form their consciences through being open to truth, studying Scripture and Church teaching, examining facts and background information, and prayerful reflection (no. 18). Visit **www.faithfulcitizenship.org** to learn about the steps you can take to form your conscience and to watch videos, download podcasts, and access other great resources on conscience formation for faithful citizens.

**"The Dignity of the Human Person is the Foundation for a Moral Vision of Society."**

Every human being has the right to live with dignity and to develop integrally; this fundamental right cannot be denied by any country. People have this right even if they are unproductive, or were born with or developed limitations. This does not detract from their great dignity as human persons, a dignity based not on circumstances but on the intrinsic worth of their being. Unless this basic principle is upheld, there will be no future either for fraternity or for the survival of humanity.

UNITED STATES CONFERENCE OF CATHOLIC BISHOPS

Proposals in Congress threaten human life, the family, and religious freedom.

The need to accompany and support the increasing number of families struggling with infertility is real. But members of Congress – including many who consider themselves pro-life – are in a rush to promote access to a new national "right" to in vitro fertilization (IVF) and other such technologies that destroy preborn human lives and treat people like property (like surrogacy, gene editing, and cloning). Some of the current proposals would also threaten Catholic hospitals, charities, schools, and other organizations and people that do not enable or cover these medical procedures. They could even allow minors to receive the procedures despite parents' objections. Please tell your members of Congress to oppose bills that promote so-called "rights" to IVF and other assisted reproductive technologies (ART) that cause the death of countless human embryos and violate human dignity.

## The Catholic University of America Collection

**Next weekend, the diocese will be taking up the National Collection for The Catholic University of America. Catholic University is a national research university with over 5,700 undergraduate and graduate students in more than 250 academic programs in the heart of Washington, D.C. By giving to the collection, you are supporting both future Catholic leaders, religious and lay, who are being formed by an exceptional, Faith-inspired education and the University's various research and training initiatives that support dioceses and parishes in responding to the most pressing needs of their faithful. The Catholic Project - an initiative that brings together clergy and laity to address the challenges that the Catholic Church faces in the U.S. contributing education, formation, research, events, and media, a master's program in Ecclesial Administration and Management, and a credentialing program that prepares recent graduates to serve as campus ministers are a few examples how the University is serving the Church and nation.**

**Please give generously. Support the collection at: futurecatholicleaders.igivecatholictogether.org.**

*"There can be no Eucharist without the priesthood, just as there can be no priesthood without the Eucharist."* - Pope St. John Paul II

Dear Friends:

Please accept my deepest thanks for your prayers and continued financial support for our senior priests residing at St. Pius X Residence.

It is through the Eucharist and the priesthood that Jesus shares His love for us. Through the hands of the priest, the very presence of Jesus Christ is mediated to all people.
As we offer thanks to God for the gift of the priesthood in our Diocese, and as we pray together for a rich harvest of vocations to the priesthood on Long Island, we have a critical role to play in the life of our priests, including our senior priests.

Many of our senior priests live independently in parishes or their own homes, but there is a group of priests that require assistance with their daily living or a safe place to recover from an injury or illness. For these priests, and with your support, the Diocese of Rockville Centre founded the St Pius X Residence.

St. Pius X Residence cares for our senior priests in a setting that allows them to keep the Eucharist as the center of their lives, while accessing a wide array of medical and social opportunities.

This month you will have the opportunity to express your gratitude to our priests and celebrate their presence among us through your gift to the annual St. Pius X Residence Fund. Your gifts and prayers will ensure that our retired priests are properly cared for today and long into the future.

With my prayers and gratitude.

Sincerely in Christ,

+John O. Barres

***Living a Eucharistic Faith: The Big Deal About the Mass and Why It Matters.***

**Admission is free.**

All are invited to gather at the Church of St. Rose of Lima in Massapequa for a special event as we encounter Eucharistic Revival on Long Island.

EUCHARISTIC REVIVAL 2022 2025

Dynamic speaker Deacon Harold Burke-Sivers will show clearly and definitively that the Mass and Scripture are intimately connected. Deacon Harold will demonstrate from the Bible how the Mass unites us to Christ's sacrifice on the Cross in an intimate and personal way, and explain how to live Eucharistically by making the connection between what happens at Mass and the application of its fruits in our lives.

Inspired by our invitation to live Eucharistically, the evening will conclude with a brief period of Adoration of the Blessed Sacrament.

CELEBRATING 91 YEARS OF FRANCISCAN ACADEMIC EXCELLENCE
ON LONG ISLAND FOR STUDENTS IN GRADES 9-12

Each year Americans celebrate Labor Day as a national holiday to honor working people. For Catholics, it is also an opportunity to recall the traditional teaching of the Church on dignity of work and the rights of workers. As Pope Francis pointed out, *"Work is fundamental to the dignity of a person. . . It gives one the ability to maintain oneself, one's family, to contribute to the growth of one's own Nation."*

This Labor Day, the economic facts are stark, and the human costs are real, especially for the poor, who may be unemployed or underemployed, the struggle to support their families is a daily battle. Please consider supporting the Catholic Ministries Appeal which supports the programs and services that assist families and individuals struggling in our communities.
