DIOCESE OF ROCKVILLE CENTRE
OFFICE OF THE BISHOP

September 23, 2024

Dear Brothers and Sisters in Christ,

At this year's general election, New York voters will decide whether to approve a proposed amendment to the State Constitution. Officially known as "Proposal One", the amendment would add new language to the State's version of the "Bill of Rights" that, if approved, could insert gender ideology into child and adult sports, schools, hospitals, and even our churches.

The proponents of Proposal One refer to it as the "Equal Rights Amendment" and claim that the amendment is intended to protect the right to access an abortion. Proposal One, however, does nothing to ensure "equal rights" nor does it have anything to do with the legality of abortion in New York.

Since 1938, the State Constitution has guaranteed the right to the equal protection of the laws and has barred discrimination against any individual by a public or private institution based upon "race, color, creed or religion." Now, eighty-five years after the adoption of the Constitution's prohibition on discrimination, the State Legislature has discovered that we need an "Equal Rights Amendment" that ensures a "right" to an abortion in New York.

New York's abortion laws are already among the most permissive in the nation. Proposal One does nothing to alter the abortion laws or to further liberalize them. In fact, the word "abortion" does not appear anywhere in the proposed amendment. New Yorkers who vote in favor of Proposal One because they believe it will provide additional legal guarantees related to abortion are victims of a misleading campaign that masks the true purpose of the amendment.

Voters need only to read the language set forth in Proposal One to learn its actual purpose and to discern its potential for harm. While they will find no mention of abortion, voters will discover that, if adopted, Proposal One would prohibit discrimination based upon "gender identity" or "gender expression." This language would transform the laudable and longstanding anti-discrimination article in the State Constitution into a legal weapon that would force institutions across the state—public and private, religious, and secular—to accommodate the most radical forms of gender ideology.

Under this language, for example, a CYO girls' basketball team, or a local girls' soccer club, could be forced to allow a biological male to participate on the team if he wishes to do so because of his "gender expression." To bar such a person from the team would constitute an act of illegal discrimination.

DIOCESE OF ROCKVILLE CENTRE
OFFICE OF THE BISHOP

The same language can be employed against health clubs, public and private schools, restaurants, and other public places to mandate that these institutions open their bathrooms and locker rooms to anyone, regardless of biological sex, based upon an individual's "gender identity." To restrict access to a bathroom or locker room according to biological sex would be another form of unconstitutional discrimination.

Furthermore, Proposal One would undermine the bedrock religious liberty protections that the State Constitution is supposed provide for Catholic parishes, schools, and hospitals, as well as for the religious institutions administered by other faiths. The amendment would expose a church or school to a lawsuit if, for example, it refused to hire a "transgender" catechist or dismissed an employee for the promotion of notions about gender that are antithetical to Church teaching. A teacher could demand to be called by a "preferred pronoun", as could any student, regardless of age. A refusal to adopt this sort of language regime would violate the Constitution.

Catholic hospitals that do not perform gender-related surgeries could be sued for illegal discrimination against people who wish to express their gender identity through a medical procedure.

Supporters of Proposal One dismiss these concerns as far-fetched fearmongering. Yet they cannot offer any other plausible application of the language in the amendment. Unlike proposals in other states that were designed to limit the power of a state legislature to regulate access to abortion, Proposal One never mentions abortion, nor does it expressly restrict the power of the State Legislature to pass laws related to abortion. Instead, the amendment adds a "word salad" of terms to the State Constitution that would turn the shield of anti-discrimination protection into a sword that can be used to pierce religious and secular institutions in order to impose, by force of law, a gender ideology that voters have never endorsed.

New York's Constitution has, for nearly a century, expressly prohibited discriminatory practices. Proposal One does nothing to enhance the universally accepted principle of equality before the law. Proposal One is, instead, a deceptive effort to impose an ideological agenda upon the State disguised by popular and inoffensive rhetoric about "equal rights" and by appealing to voters who believe the state's abortion laws are at risk of change. But, to paraphrase the Gospel, by its language you shall know it. The words of Proposal One reveal its true intent and the effects it would have if adopted.

New Yorkers who do not wish to see the State Constitution used to implement a harmful gender ideology that would reach into nearly every facet of ever day life, from sports to schools, from bathrooms to gyms to hospitals—even into churches, synagogues and mosques—must vote "NO" on Proposal One.

Sincerely in Christ,

+ John O. Barres

WEEKLY MASSES

Sunday October 13th, 2024
28th Sunday in Ordinary Time

The Focus Seek Christ above all else. In the first reading, Solomon prayed for wisdom and received all good things *in her company*. In the second reading, the Letter to the Hebrews says the word of God is *living and effective*, able to discern thoughts of the heart. In the Gospel, a man asks Jesus what he must do to inherit eternal life. Jesus tells him to sell what he has, give to the poor, and follow him.

Hymn Corner

Month of October

Like many of our fine hymns this text is really a sermon in verse. In the first stanza the sure foundation of the Christian faith is established as being the Word of God. This challenging question is posed: what more can God do than provide His very Word as a completed revelation of Himself to man? The succeeding verses personalize the precious promises from His Word:

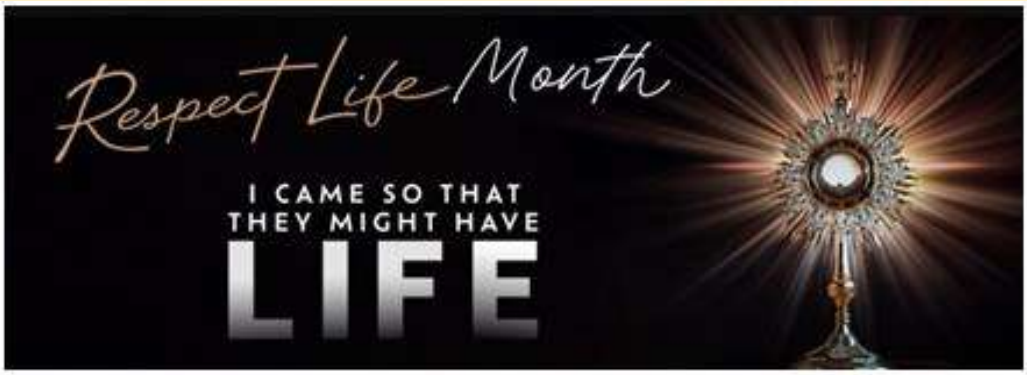
Verse Two-Isaiah 41:10-"Fear thou not, for I am with thee, be not dismayed, for I am thy God...

Verse Three-Isaiah 43:2-"When though passest through the waters, I will be with thee...

Verse Four-2 Corinthians 12:9-"My grace is sufficient for thee; For my strength is made perfect in weakness.

Verse Five-Hebrews 13:5-"I will never leave thee, nor forsake thee"

"How Firm a Foundation" has been a favorite hymn and testimonial of many of God's children throughout the years. It was the favorite of such American leaders as Theodore Roosevelt, Andrew Jackson, who requested that it be sung at his bedside shortly before he died at the Hermitage, as well as Robert E. Lee, who also requested it for his funeral hymn "as an expression of his full trust in the ways of the Heavenly Father:"



"Let us remember that life is a gift from God! It is always sacred and inviolable, and we cannot silence the voice of conscience."
-- Pope Francis

October is Respect Life month. As faithful Catholics we are aware that respecting life is a constant pursuit. May we always consider more deeply that every human life is valuable and reflect on how we can build a culture that protects life from conception to natural death.

With your support, we can achieve this challenge of keeping the sanctity of life at the forefront of our community and society. Your donation to the Catholic Ministries Appeal provides Respect Life initiatives through prayer services, education, witness and action.

2024 CATHOLIC MINISTRIES APPEAL

Revitalizing our Faith – Renewed by the Eucharist

As the last few months of the Appeal are upon us, I am writing to ask that, if you have not already done so, you might consider joining with me, by making a gift to the 2024 Catholic Ministries Appeal.

I am grateful to those who have already contributed to the good work we are trying to accomplish together here on Long Island. Every dollar helps to bring Christ to so many who need to hear His voice, feel His healing touch, and be inspired by works of catechesis and evangelization.

As a faith-filled parish community, all of us recognize the responsibility of bringing our young people into our family of faith and guiding them on their lifelong journey with Christ. Our Diocese continues to focus on ministries that support young Catholics and their baptismal call to holiness; to welcome the contributions they make to the Church and help them grow in faith. Such growth is key for young Catholics in discerning the state of life that would best correspond to what God wants from them.

Thanks to your gifts to the *Catholic Ministries Appeal*, Youth, Young Adult and Campus Ministry Programs are responding to the call for action by offering many opportunities for young people to engage in a dialogue with Bishop Barres, priests and religious, youth and young adult ministers and their peers.

Michaela, a participant at a Holy Hour at our Seminary shared, "*My faith is so important to me – without it I would be lost. I would not always have God's voice with me. He guides me!*"

Your support helps us continue to teach and pass on our faith to our young people!

Thank you most sincerely for your consideration of this special request to make a gift to the 2024 *Catholic Ministries Appeal*. No gift is ever too small, and all gifts make a difference in the lives of our young people – the future leaders of our church and the wider community.

Sincerely yours in Christ,
