FROM THE PASTOR'S DESK

"Jesus said to them, 'Amen, amen, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you. Whoever eats my flesh and drinks my blood has eternal life…For my flesh is true food and my blood is real drink and who remains in me and I in him…the one who feeds on me will have life because of me. This is the bread that came down from heaven. Unlike your ancestors who ate and still died, whoever eats this bread will live forever.'" **Today we celebrate the Great Solemnity of the Body and Blood of Christ** in which Saint Paul reminds us that the bread we eat and the cup we drink is more than meets the eye. For in the bread and wine we truly receive Jesus' Body and Blood. This is the real food and drink, which comes down from heaven to make us one with God (through our receiving of the Divine Son) an done with each other (through the power of the Holy Spirit). This heavenly food, unlike what our ancestors ate in the desert, feeds not the body but the soul. This cup of the New Covenant does more than quench our physical thirst, it fills our soul's every desire. This great Sacrament reminds us of the Pascal Sacrifice of Christ on the Cross which set us free from sin, darkness, and spiritual death, and empowers us to remake the whole world in the image and likeness of Christ.

This great Feast of Corpus Christi also reminds us of the proper way to receive Jesus in the Blessed Sacrament. One can receive Communion on the tongue or in the hands. If you are receiving Communion on the tongue, please wait for the minister to say, "The Body of Christ." After your response, "Amen," which means yes, I believe, then please stick out your tongue so the Eucharist can be placed on it. With putting out your tongue you provide a proper platform to place the Sacred Host. Sometimes people just open their mouths without sticking out their tongues or they stick their tongue out just a little without opening their mouth. The result is the Host falls on the floor, or you could pass germs to the minister. During this time of the post Corona Virus, we must take extra care not to do this, so please stick out your tongue and open your mouth, thank you. If you are receiving Communion in the hands it must be both hands- one which provides the base or the throne to place the King of Kings on, use the other hand to lift the Blessed Sacrament to your mouth and then it is received with great reverence and love. Please do not use one hand, and please do not take the Host with just two fingers. This is important because it reminds us of who it is, we are truly receiving in our hearts and souls.

Thank you!

May God Bless you always
Fr. Mike

The Most Holy Body & Blood of Christ

The Focus—*In the Eucharist, the Lord nurtures our souls and makes us one with him.* In the first reading, Moses urges his people to remember how the Lord guided and cared for them in the desert. In the second reading, Paul connects sharing in the *cup of blessing* with participating in Christ's sacrifice, and argues that the one bread that is broken bonds those who partake into one body. Jesus tells the crowds he is the *living bread that came down from heaven* and promises eternal life to all who eat his body and drink his blood.

ST. MICHAEL'S PRAYER

Saint Michael, the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do though, O Prince of the heavenly host, by the power of God, thrust into Hell Satan and the other evil spirits who prowl about the world for the ruin of souls. Amen.

Please Note: St. Michael's Prayer is on the back cover of the missalette.

Hymnn Corner

JUNE HYMN

O God, Our Help in Ages Past

"O God, Our Help in Ages Past" was written in 1708 by Isaac Watts, one of the greatest English hymn writers. It is a paraphrase of Psalm 90, a psalm about God's eternal nature and humanity's frailty. Watts originally titled it *"Psalm 90: Man Frail and God Eternal."*

In 1738, John Wesley changed the opening line from "Our God" to "O God," which is the version most churches sing today. The tune ST. ANNE, written by William Croft in 1708, became permanently associated with the hymn and is now one of the most recognizable hymn tunes in the English-speaking world. The hymn is especially used for Remembrance Day, funerals, and solemn national services. J.S. Bach's *Fugue in E-flat Major (BWV 552)* is nicknamed the "St. Anne Fugue" because its theme resembles the hymn tune. Psalm 90 speaks about God's Eternity, Human Mortality, Trust in God through generations.

It's one of the most sung hymns in the English-speaking world — some scholars even call it "the greatest of all hymns."

INTERGENERATIONAL HEALING MASS

"Give Thanks to the Lord for He is good; His mercy endures forever" ~ Psalm 107:1

As we celebrate the **Solemnity of the Most Sacred Heart of Jesus**, we invite you to come together in faith bringing our families before the Lord for healing, restoration, and renewal in His boundless love. What could be a more perfect feast of Mother Church to bring our hearts before the Lord, asking for the grace of His Sacred Heart, which pours out mercy and healing for every generation.

If you can name what needs to be healed, then you can claim it and bring it before the cross of our Lord Jesus Christ and ask Him to wash it in His Precious Blood. Healing is available at every Mass. What makes this different is you are taking time to complete the family tree and contemplate with the Holy Spirit the lies, negative feelings and emotions, before Holy Mass begins so that you can ask the Lord to heal specific areas of your life and relationships. If there are strongholds that are preventing healing from taking place, it is important to identify them.

***"Every Wall must fall"**, so that you can experience the healing power of Holy Mass like never before...*

Come Expectant - The Lord desires to make all things new!

Thanks to your support we are able to help dads in need!

Every day, people in our community are helped because of support from funds raised through the Catholic Ministries Appeal.

Today, consider a dad like Paul. Paul saw information about the Catholic Ministries Appeal at his local parish, and he knew he had to turn to the Church for help since he had nowhere else to go. Paul had been gainfully employed for more than 10 years when he began to fall ill. Soon his medical issues made it impossible for him to keep working and he was forced to go out on disability.

After paying the co-pays on his medications, his family's rent and utilities bills, Paul had very little left to purchase food and other necessities for his family.

It was hard for him to ask for help, but with nowhere else to turn, he did. Catholic Charities found him a specialist who assessed the family's needs and directed them to appropriate resources in their community. He went to his Parish Outreach, where his family received food that allowed them to make it through the month. Paul and his family received the help they so desperately needed.

Today, Paul is back to work and the family is doing well. *"I am so thankful that I know there is somewhere I can turn, where there are people that care, people I can talk to, if I am ever in such a situation again,"* shared Paul.
